Terms & conditions

Parallel to the conference "Progress in Biogas IV" an exhibition takes place. Companies and organizations are welcome to present the newest development on the biogas field to an international broad audience here. We expect about 400 participants from all continents again that deal not only with the scientific production and utilization of biogas, but who are also practitioners with specific questions on biogas technology.

"Progress in Biogas" is characterized by a close contact with the trade visitors. The Business Exhibition will serve you as a platform to make new contacts and businesses in the European and International market. Take advantage of this opportunity!

General terms and conditions

Size of stand space, equipment, stand service

The available space and the size of the exhibition stands are limited and depend on the number of exhibitors. The exhibitors have to bring their own necessary equipment e.g. displays and movable walls, electric cables, table etc. Please note that no fixed wall stand systems are possible.

The registered stand representatives are entitled to the same benefits as the other conference participants. The conditions for participants and the general terms and conditions printed in the conference program are valid for the exhibitors and the services associated with the exhibition stands.

Prices

Per each beginning square meter an exhibition fee of 250,00 € is charged. This price includes two stand representatives for each stand. The stand representatives have to be registered for the stand service.

We also offer a company banner or poster space for a price of 300,00 € per each beginning meter.

The order is legally binding. All prices are exclusive of VAT of 19%. The exhibition fee has to be paid without discount in the next 14 days after receiving the invoice.

Specific terms and conditions

With the order, the exhibitor additionally accepts the following contract conditions. The purchaser has to make sure that the stand personnel keeps to these clauses and instructions.

Payment

If the exhibitor doesn't fulfil his obligations of payment the conference office reserves the right after a reasonable period has passed, to refuse the contract, close the stand, if necessary make the stand space available for own purposes and make claim for compensation.

Deadline, cancellation and non-attendance

Deadline is the **21st of February, 2017**. If the contract is cancelled until 6th of February 2017 a service charge of 250,00 € plus VAT will be charged. Starting 7th of February 2017 the total fee for the exhibition stand and the participation fee for the registered personnel have to be paid. If the stand isn't taken by 16:00 on 7th of March 2017, we are obliged, regarding the general view, to take over the exhibition area for own purposes. The exhibition fee has to be paid for the additional expenses in any case.

Construction and dismantling of the stands

The exhibitors have to set up and dismantle their stands themselves or contract someone to do it. It has to be done in compliance with the physical construction and the fire protection law. Light boxes, junction boxes, cable fittings for telephone extension and all further connections boxes as well as entrance and exit areas in front of the lecture rooms must remain accessible.

The mounting of the stands is possible from 13:00 on Tuesday 7th of March 2017 and has to be completed by 18:00 on the same day. Packing material has to be removed by that time. There is no possibility to store any material for the time of the conference. Vehicles have to be removed immediately after loading or unloading from the loading area.

The way the stand is presented is up to the exhibitor as long as it complies with the terms and conditions of the contract. The exhibition stand has to fit in with the overall exhibition outlay. The stand has to be occupied at all times by a specialized personnel for the time of the conference.

The dismantling of the stand starts at 16:00 on Thursday, 9th of March 2017 and has to be completed before 18:00. Prior to that, no exhibition items may be taken away from the stand nor be dismantled. In case of breach of contract the conference office is entitled to charge a contract penalty of 25 % of the net stand fee. The exhibition area has to be left clean. Sticky tapes, any presentation materials and all waste must be removed after the end of the event. Extra occurring cleaning or waste disposal costs will be charged to the exhibitor.

Liability

The exhibitors are liable for any damage, which occurs during the setup and dismantling of the stands and during the exhibition at the University of Hohenheim.

The organiser refuses any liability for damage or loss occurring to the exhibitors property.

Cancellation of the event

In case the International Conference [Progress in Biogas IV](#) has to be cancelled or delayed for any unpredictable reason or too few participants, the already paid exhibition fee will be refunded. No further claims are possible. Changes to conference program and a different program execution are reserved.

Validation and jurisdiction

The ineffectiveness of single clauses doesn't effect the validity of the whole contract. Place of contract effectiveness for both sides is Stuttgart. Place of jurisdiction is Langenburg. The agreement shall be effected by German law.
